**APPLICATION FOR MINING LICENSE**

The Surface-Mining Land Conservation and Reclamation Act of 1994 specifies that those persons engaged in mining, as defined by the Act, shall be licensed by the Executive Director of the Division of Conservation (DOC), Kansas Department of Agriculture (KDA). The Act also states that a fee of \$300.00 is required to accompany each application for a mining license. Political subdivisions of state government are also required to be licensed; however, these entities are **exempt** from the \$300.00 fee.
